

Simply Law Jobs Newsletter

November 2020

Hello and welcome to our November newsletter! Can you believe it's November already?

October was another busy month for Simply Law Jobs with recruiters predominantly searching for Solicitors, Associates and Lawyers.

The most exciting news last month is that new customers can post a job for free to trial our service! (T's & C's will apply.) Make sure you don't miss out!

Visit recruiting.simplylawjobs.com/free-trial-job for more information.

Last month, we also conducted some more research into how legal professionals felt the government and their employer has handled the pandemic so far.

We were pleased to hear stories about employers doing right by their employees but there were some instances where this was not the case. While things are challenging at the moment, there are still career opportunities out there, many which are published daily on Simply Law Jobs. We truly hope change is around the corner for you!

That's all from me until next month! Stay safe and enjoy bonfire night!
